GENESIS[®]
Bowl Your Game™

GENESIS[®] The Judge™ LE

With some other remakes, the jury may still be out. But with **The Judge™ LE**, the verdict is clear. No ball has been able to truly replicate the 80's performance...until now. From construction to finish, it's case closed! So, can it truly be as good as we claim? There's only one way to find out. Get one for yourself and you be **The Judge™**! Then you will understand why we say....

"It's the Urethane by which all others will be Judged"

Ball Motion - **The Judge™ LE** provides the urethane motion of the past. It doesn't over react like many modern day urethanes. Instead it provides a smooth, predictable motion off the spot and, if you play on top of the dry, you don't get the sudden flip as with other dynamic cored urethane balls.
